# INDIES

Australian Independent  
Beer Awards

## 2023 CATALOGUE OF RESULTS

# IBA CHAIR MESSAGE

## **It's a wrap for the Independent Beer Awards 2023!**

Our celebration of independent beer, the wonderful people who have contributed to its foundations and those building the future for our industry is done and dusted and boy was it a cracker.

It was great to be back in person this year and to celebrate with many of our entrants for the first time in 4 years.

I am very proud of everything that has been achieved to improve the awards over the last couple of years. We want to ensure that we deliver a highly professional competition given entrants trust us with your hard-earned cash and the products you put so much care in to making. It's very brave to be critiqued publicly so we want to ensure that this done to the highest standards by the best judges in the country.

This year saw: 1,360 entries judged over 3 days, 229 gold medals. Trophy classes increased from 10 to 17 and the introduction of new trophies. We were blown away this year as the quality of beers entered was exceptional.

On behalf of the IBA Board I would like to thank everyone involved this year's competition.

The Indies Advisory Committee – all volunteers and give tirelessly year round and strive to make the indies the most relevant competition in the country.

Our judges and stewards who also volunteer their time and dig deep to make sure our entrants get best feedback possible.

Our award and media sponsors and partners. Couldn't do it without you!

And of course, the IBA team, no one will ever fully understand the care and commitment they have for your beers and for our members.

See you all in 2024.

**Richard Watkins**  
IBA Chair

# MESSAGE FROM HEAD JUDGE

## Judging for the 2023 Indies Awards was held in Brisbane from 17-19 August.

The calibre of the assembled judging panels was first class, with representation from all corners of our industry in the 65 strong panel who came together to assess the 1,348 beer entered. Each judge brought unique skills, industry perspective, sensory strengths and a positive willingness to both improve and impart their own knowledge. I thank each judge for devoting their time, and sharing their passion for great beer with entrants via their valuable feedback.

An incredible 85% of beers entered were awarded a medal, with a record of 229 gold's declared, which demonstrates the standard of independent beer poured in tap rooms, and packaged in fridges across Australia is reaching a level of quality that the industry has aspired to since inception.

Brewers are consistently delivering beers that are absent of major technical faults and reflective of the promised style, allowing consumers to repeatedly enjoy their engagement with independent beer. Our aspirations to continually improve, innovate and perfect our craft must now continue. It is this pursuit that will drive the standards even higher and the bar will no doubt lift

in the years ahead.

On behalf of all judges, I extend our deep thanks to Indies Coordinator Joslyn Erikson and her team of volunteer stewards. The tireless efforts of those behind the partitions never ceases to impress.

To the IBA Head of Events, Siobhan Kerin, the successful implementation of these awards is a product of your hard work, dedication and passion to support your members. Thank you for your expertise and commitment, you have delivered a fantastic competition.

My reflection on discussions with judges involved in the awarding of the champion beer, leaves no doubt in my mind, that the Indies Awards celebrate and award truly spectacular beers. I am honoured to have been afforded the opportunity to steer and help progress the Indies in 2023 and look forward to watching the winners celebrate their fantastic achievements.

Cheers  
**Justin Fox**  
Head Judge

# MESSAGE FROM ADVISORY COMMITTEE

**I'm genuinely excited to have witnessed where we've taken the 2023 Indies Awards this year. In short it remains a vibrant celebration of innovation, unity, and, of course, exceptional beers.**

This year was all about embracing change, showcasing the incredible growth in creativity amongst our Australian brewers.

We added seven new beer styles to our guidelines, a true testament to the relentless work of the Advisory Committee. These styles were carefully crafted from scratch to create a welcoming space for our brewers' cutting-edge abilities. It's been a labour of love, reflecting the thriving spirit of our industry. We hold the genuine hope that the array of styles showcased will not only experience a natural growth but also embrace a steady evolution as we move forward into the future.

The Awards also saw the return of the live ceremony, a much-needed reunion that symbolised our collective resilience. Amid the challenges, we persisted and came together to honour excellence. Our Service to the Industry, Young Gun of the Year, True Indie Supporter and Lifetime Achievement Awards remain as beacons, acknowledging those who contribute significantly to our industry's growth.

Lastly, a heartfelt thank you to everyone who's been part of this journey — your invaluable feedback, unwavering dedication, and steadfast support collectively form the cornerstone of the resounding success that these Awards have achieved.

A particular acknowledgment goes to the Board, fellow members of the Advisory Committee, the diligent IBA staff, and notably, we must highlight the commendable efforts invested by the new Head Judge, Justin Fox, and the Head of Events, Siobhan Kerin, whose diligent endeavours in orchestrating the Indies were truly commendable and inspiring to witness.

Let's raise a glass to the unity, creativity, and camaraderie that continue to define our indie beer family. Cheers to this year, and here's to the next!

**Will Tatchel**
